

## DATASHEET

# Working at Cygilant

Cygilant is hiring! We're looking for people who enjoy the challenge of working on the cutting edge of technology in the security, risk, and compliance market and who are passionate about excellence and dedicated to the needs of customers.

For more information or to see openings available, visit [www.cygilant.com](http://www.cygilant.com)

Cygilant believes that every organization, regardless of size, deserves an enterprise-class cybersecurity program. Our goal is to become the #1 trusted security advisor for our customers. In order to achieve our goal, we will always treat our customers with the utmost care and make sure that every team member matters. This means that you will be encouraged and expected to take on responsibility to help exceed our customers' expectations and bring a sense of pride in carrying out your job.

We reward hard work with loyalty and all the benefits of a growing, successful organization. Cygilant offers benefits including medical, dental, vision, flexible spending account options, and 401K, among other benefits.

## About Cygilant

Cygilant, a pioneer in **hybrid security as a service**, is transforming how mid-market organizations build enterprise-class security programs. Acting as an extension of our customers' IT teams, Cygilant provides continuous security operations based on best-of-breed technology at a fraction of the cost of alternate solutions. Cygilant is a trusted advisor to organizations that need to improve their IT security and compliance posture and protect against cyber threats and vulnerabilities.
